

# Who is this book for?

All Children Ages 4-8

The "Let's Go Dreaming" series encourages children to use their imaginations and explore their dreams. These bedtime stories are aimed to inspire young minds to think of all of the endless possibilities of where they can go in their dreams.

Each book is a perfect addition to any child's night time routine. These books will foster a love of dreaming anytime of the day.

## Teachers, Counselors & Librarians

The Let's Go Dreaming series is a collection of books that teach lessons about acceptance, diversity, friendship, and bullying. It is a great tool for having a diverse selection of books for your readers. Great for all grade levels, Pre-K to 3.

### ★ENHANCE READING SKILLS:

The easy to read rhyming text develops children's reading and storytelling skills. Studies have shown that reading builds vocabulary, enhances the memory, and improves analytical thinking.

### ★EXPLORING SENSES:

Learning the five senses helps children better explore the world around them. They naturally learn about their surroundings through the use of sight, sound, smell, taste, and touch. Little Ari's explanation of dreams through the use of the 5 senses will assist children's understanding, as well as encourage them to find out what their own dreams will look and feel like!

### ★HELPS DEVELOP CHILDREN'S IMAGINATION:

Each book offers an excellent opportunity to cultivate the young mind. Will they dance on the moon? What sights will they see? The possibilities are limitless!

# Let's Go Dreaming Children's Book Series

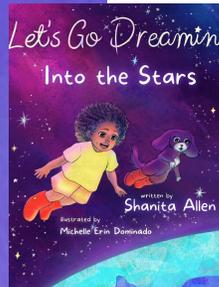

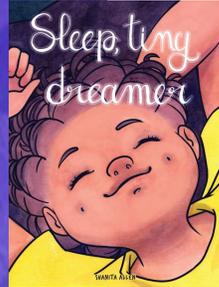

By: Shanita Allen

The Let's Go Dreaming children's book series is a collection of bedtime stories that take children on adventures in their dreams. Each book has a matching Coloring Book or Activity Book, which can be purchased separately or as a set.

The first book, "Sleep, Tiny Dreamer", is a sweet bedtime story, inspiring children to reach for the stars to become whatever they want to be.

The second book, "What is a Dream?", introduces the main characters, Little Ari and her talking dog, Pepper. Ari describes to Pepper what dreams are, and reveals the magic formula to create a dream in this whimsical bedtime story that explores the 5 senses.

In the third book, "Into the Stars", Little Ari and her talking dog, Pepper, explore the world of dreams and journey into outer space. There, they meet Galaxy Joe, take a magical ride on a meteoroid, and play among the planets.

## What readers are saying:

This charming book series is designed to inspire and captivate children while they build important messages in their minds about being free to dream powerful dream.

This little girl expresses herself so wonderfully. As the reader I can imagine all of the ways dreams come alive. The rhyming is fun and so is her companion. A fun and vibrant story!
